The application will automatically be routed to the appropriate KeyCode approvers.

When the application is approved the user will receive an Email which looks like this:

**HEXAGON**
MANUFACTURING INTELLIGENCE

Service Utilities KeyCode account

Hello Denis,

Your Hexagon Service Utilities account application has been approved. Your account is now disabled and you will not have access to download any keycodes until the account is validated.

We would like to help you fully activate your Hexagon Service Utilities software.

Here's how easy it is to activate your Keycode Account:

1. Visit the [KeyCode Validation](#) page to validate your email address and activate your account.
2. You will receive an EMail notification when your account has been validated and fully functional.

Visit us on-line at: <https://www.hexagonmetrology.us/>

Hexagon Manufacturing Intelligence | 250 Circuit Drive | North Kingstown, RI 02852 USA

Service Utilities KeyCode application

When the user clicks the link in step 1. They will be presented with their information and Email address for verification.

The screenshot shows a web page for the Hexagon Metrology Keycode application. At the top, there is a black header with the text "powered by" and the Hexagon Metrology logo. Below the header, the page title is "Keycode application". The main content area has a light gray background and contains the following text: "Confirm the data below and then select the Activate button to enable your account." Below this text are three input fields: "First Name:" with the value "Denis", "Last Name:" with the value "Ramsay", and "eMail Address:" with the value "denis.ramsay@hexagonmetrology.com". Below the input fields is a black button with the text "Activate". At the bottom of the page, there is a footer with the text: "Contact [KeyCodeAdmin](#) with comments or questions regarding this site. © Copyright 2015, Hexagon Metrology, Inc., All Rights Reserved".
